October 2011 Newsletter

A rather belated and probably brief Newsletter this month, due to a busy Lizzi! (Who says that retirement is relaxing!!) Our last meeting for the year was held at the Pier Port last Wednesday. Our new year begins with our AGM, to be held at the clubhouse on 28th at 8 pm. Nomination forms have been emailed out for this meeting. Please consider offering to take up a position, or assist and Office Bearer to "learn the ropes". The current "team" has done a wonderful job as we will be reminded when our year is reviewed at our AGM.

We are an extraordinarily lucky club to have a team that "can do" and have worked with CIPC to upgrade our facilities. There are still many things to do on our "wish list" and this requires the help and commitment of the whole club. Well done us!! Many projects are still in the pipe line and a "working bee" on a group or Individual basis will soon be organized.

Club Dressage Comp.

A successful day was enjoyed by a large number of riders. Thanks to "set up" team and to all involved in the record breaking pack up afterwards. This proved to be a great earner for the club. Thanks to Beck for her great publicity in both the Yarram Standard and Foster Mirror.

TTT Events.

SJ. The BARC SJ team of Deb, Maree, Marnie and Sharna, will be recovering from their weekend at Werribee, results are as yet not posted on Forum so not here either. I do, however, need to report that Adeline (future club member!) gained 3 first places in her L3 section and won a lovely rug and Benalla ARC were the overall winners.

Dressage. We have had 2 teams accepted for TTT this year. Hope the weather is better than last! Make sure your fees are paid, cards signed/stamped and level assessed by/at AGM.

Fees.

For next year will be \$122 without Chaff Chat
\$170 inc Chaff Chat

Smudging arena.

To fulfill insurance conditions as well as OH and S, all members smudging arena must wear a helmet when operating the 4 wheel motor bike. It is an easy job and it would be nice if everyone was prepared to take a turn to do the duty at the end of a rally or competition. It is in the club's interest to keep the arena as well graded as possible and it is our responsibility to uphold this.

Arena Key.

The Arena key is missing from inside the clubhouse. If anyone is aware of its whereabouts please return it.

Assets Register.

Our assets register is currently being updated and it has become obvious that there are some items "missing". If you know where they might be, please let the executive know. It is everyone's money and effort that has gone to acquire assets, we must take care of them.

Currently "missing in action". **4 dressage blocks** from the new pipe arenas (might look to the untrained like nice little supports for low jumps). They are part of a matching set and were missing before our Dressage Comp. Also missing, one of our **Tape Measures**, bought new for last year's comp.

Elinor and Ludo Ludo will officially become "family" very soon as Elinor has been offered him by Corrie's sister Laurie. It was a hard decision as she bred this lovely Anglo, but he is already doing extremely well at Dressage. He had a win there. (Sorry scratchy details).

Well I hope this is all as it is now after midnight and I have to be up early to go to appointment!!

HINT...I will probably be doing a bit of travel over the next few months.... Grey Nomad stuff, so will need a replacement Newsletter Writer.

Off to bed to listen to the Quiz!!
